

Working from Home

We are living and working through challenging times at the moment and this is requiring many of us to work from home to stay safe and ensure business continuity.

Creating a special place at home where people can work, study, think, or just stay on top of paperwork is important for everyone, and we can help get you set up with our 600mm deep Maestro 25 cantilever leg frame desks which ensure easy movement and space under the desk. With a wide choice of desktop finishes and black, silver or white leg frames, it's easy to achieve the right home office look to fit in with the existing home decor.

- Offers a high level of comfort and dynamic support for the body
- Flexibility built in with advanced ergonomics and stylish, edge details
